

MAKE SURE YOU ARE LOGGED IN WITH YOUR CHILD EMAIL ADDRESS (@lpebl-kt.com) !

Connect to Google Meet

Pupils should connect themselves to Meet at the precise time and not in advance. At the end of the session, we ask the pupils to disconnect themselves straight away.

Google Meet is the equivalent of a virtual Classroom, it is a learning place, and we'd like it not to become a playground when the teacher is not present.

→ If you are using a PC/ laptop :

Resubmit

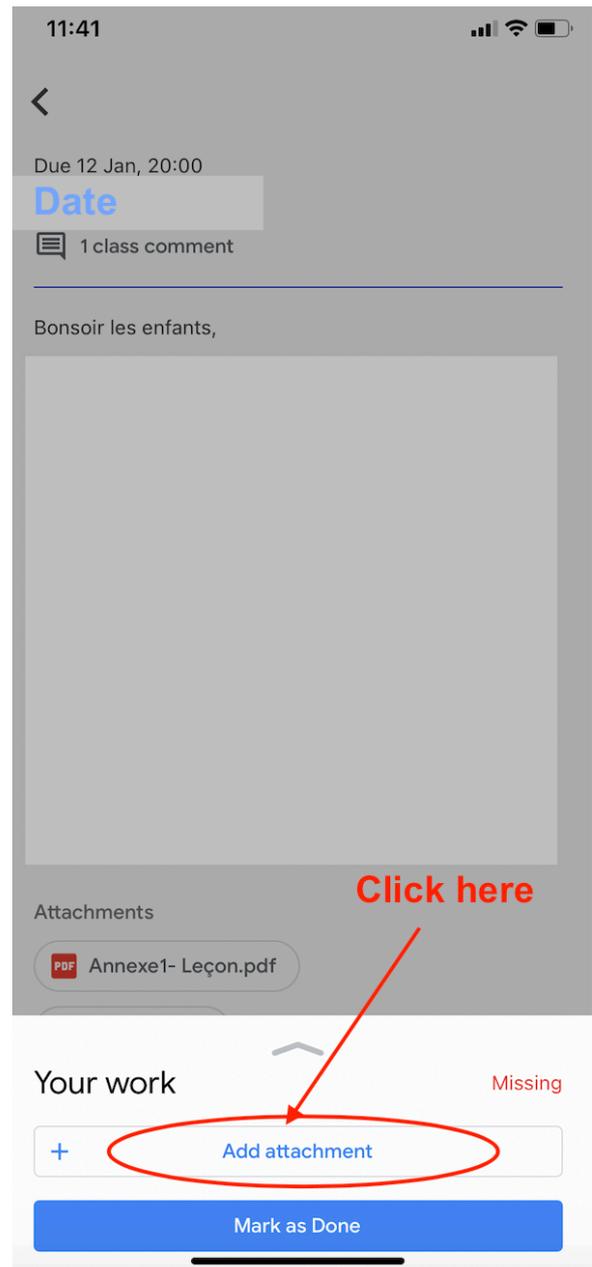

Submit work on tablet

1. Click on the daily work guidance posted on the stream.

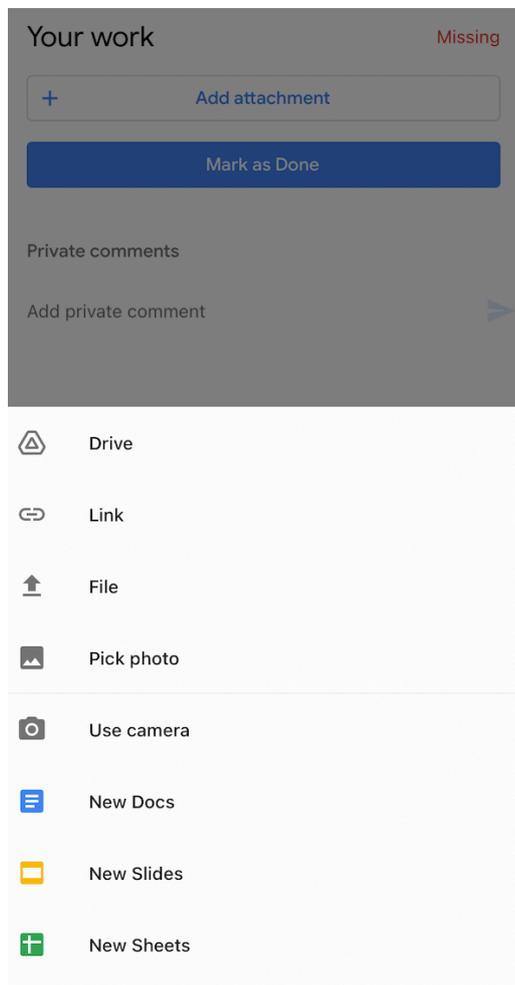

2. Click on "Your Work".

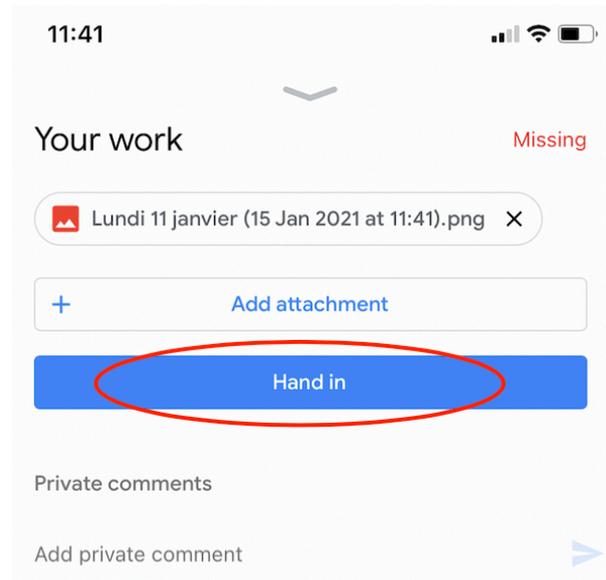

3. Click on "Add attachment".

3. Choose which file(s) you need to send back to the teacher. The easiest way is to click on “Use camera” and take pictures of your child’s work.

4. “Hand in” the work.

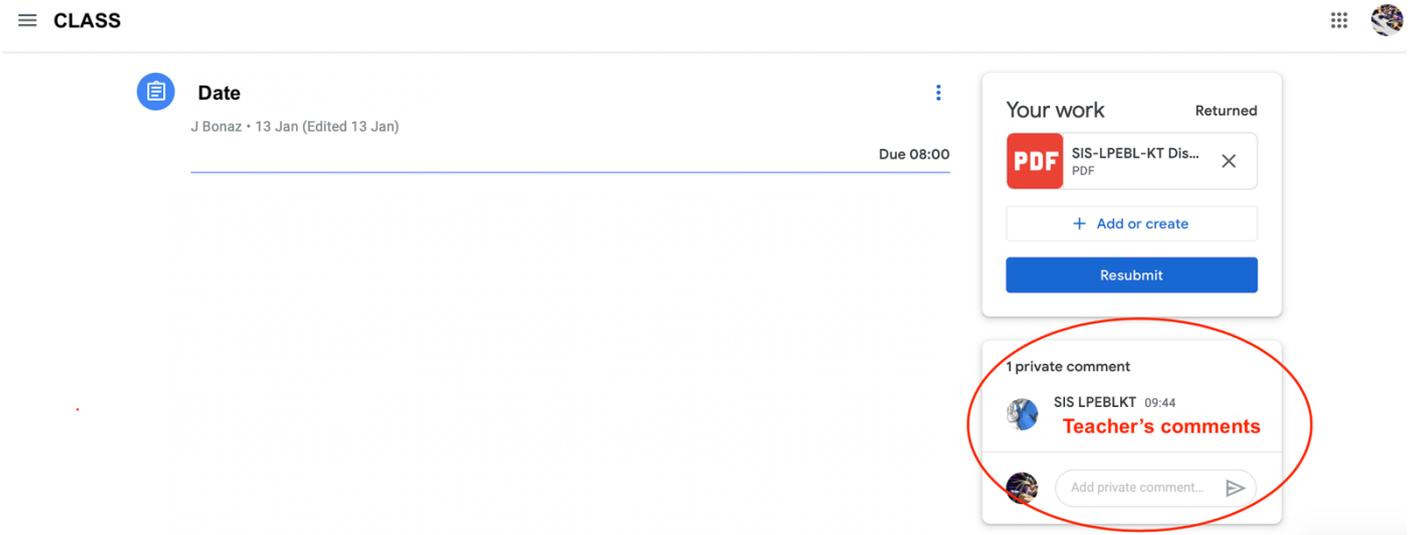

5.

6.

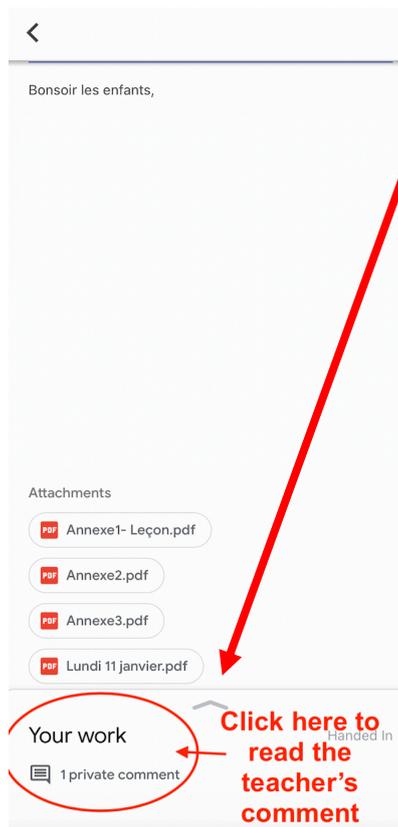

5. The work is now “Handed in”, the teacher can correct it.

Read teacher's comments on PC / Laptop

- 1) Click on your child's work.
- 2) If the teacher already correct the work you will have a private comment on the side.
- 3) You're child needs to review their work and correct if needed.
- 4) You don't need to send back corrected worksheets unless the teacher has requested your child to do so. Pupils may ask any additional questions if needed.

Read teacher's comments on tablet

- 1) Click on your child's work.
- 2) If the teacher already correct the work you will have a private comment on the bottom.
- 3) You're child needs to review their work and correct if needed.
- 4) You don't need to send back corrected worksheets unless the teacher has requested your child to do so. Pupils may ask any additional questions if needed.
